30% Fast Start Bonus *

All qualified members receive a 30% Fast Start Bonus on the first order of every new enrollee. **PAID WEEKLY!**

10% Purchase Discount

All qualified members receive an on-the-spot 10% discount for all orders of 180 BV or more.

Automatic Placement

Each new enrollee is automatically placed in the next available position in the first three levels of your marketing unit - efficiently filling each level along the way and speeding up the growth of the matrix.

Automatic placement eliminates the politics of recruiting - providing every active member placements in their part of your marketing unit. The system automatically notifies the enroller, sponsor and each new member by e-mail, providing contact information

Definitions

Marketing Unit: unlimited width, 5 levels deep matrix consisting of personal enrollees and their personally enrolled members from which the residual income is derived.
GV: Group Volume is the total BV of your Marketing Unit.
Bonus: Qualifying percentage of Group Volume of your Marketing Unit 10 levels deep.
BV (points): The current amount on which your commission check is based. The amount listed on the Order Form as BV or Business Value amount given for each product purchase. You must accumulate enough BV each month to qualify for your position.

PV (Personal volume): What you buy for personal use each month.
Member: All persons, regardless of title, who join the Radiant Health Club.com
Active: Any member who purchases at least 30 BV per month.
Recruit: The activity of looking for people to join RHC.
Sponsor: You are the sponsor of any person on your first level. Your sponsor is the person that is directly above you.
Enrollee: Any person you recruit and place in your Marketing Unit.

* Fast Start Volume is not included in GV calculations.
